Dear ________________________________,
(Name of company you are fed up with)
I am writing to you to tell you that I think the ______________ you make is ___________!  Your _____________ makes girls look like _________ (adjective)       (product)                                                (adjective) and is very_______________ to girls

30

We are ______________, ______________, and _____________!  I have ______________ and you start showing real girls not just stereotypes of (product)

Sincerely,
(your name)
